Page:

Table in Figure 2, page 11

Paragraph:

Table in Figure 2, page 11

Original wording:

Proposed wording:

1- For Symbol C variant 03, change 7.5 to 7.9; and for variant 04 8.7 to 8.9

2- For Symbol J, delete value MAX for variants 03, 04 and 05.

Justification:

The thickness of SnPb finition have not been correctly estimated when creating the specification.
