Para 4.5.1 General (for Marking)
page 13

Paragraph:

Para 4.5.1 General (for Marking)
page 13

Original wording:

Proposed wording:

Add the following note at the bottom of the paragraph :

When inductor colour codes are used, the colour bands indicate inductance in nano-Henries.

Justification:

This marking have always been used by Microspire for this type of inductors. This marking is also used by other manufacturer.
