

DOCUMENT CHANGE REQUEST

DCR number 1086 Changes required for: General
Date: 2017/10/11 Date sent: 2017/04/21
Status: IMPLEMENTED

Originator: Steve Thacker
Organisation: ESCC Executive Secretariat

Title: Generic Specification for Coils, RF and Power, Fixed

Number: 3201 Issue: 7

Other documents affected:

3408-2, 9020-3

Page:

Various

Paragraph:

Para 12.4, Chart F4 (& other paras that refer to the title of Chart F4 e.g. Para 4.3.3, 7.5, 7.8, 7.9, 8.x, 9.1, 9.7, 9.8, etc)

Original wording:

The title of Chart F4, was:
CHART F4 - QUALIFICATION AND PERIODIC TESTS

Proposed wording:

Change Chart F4 title to be:

CHART F4 – QUALIFICATION, PERIODIC TESTING AND LOT VALIDATION TESTING

All other places within the Generic spec that refer to the title of Chart F4 "Qualification and Periodic tests" shall be amended to reflect the new title "Qualification, Periodic Testing and Lot Validation Testing"

Justification:

Ref DCR1027: Clarification - Manufacturers claim that many users do not understand that Lot validation Testing refers to Chart F4

Note: ESCC 3201, 3408 & 9020 were omitted from DCR1027. This DCR is raised so that consistent terminology is used across all ESCC specs.
