

DOCUMENT CHANGE REQUEST

DCR number 279 Changes required for: General

Originator: S Thacker

Date: 2006/09/04

Date sent: 2006/09/04

Organisation:

Status: IMPLEMENTED

Title: Attenuator, RF Coaxial, Type SMA, DC-22GHz

Number: 3403/005

Issue: 2

Other documents affected:

Page:

Page 7 Para 1.5

Paragraph:

Page 7 Para 1.5

Original wording:

Proposed wording:

Amend Peak Power, PP, Maximum Rating to be:

"Note 1" with remark:

"duration 1us 1% duty cycle"

(was 200W, 1ppm duty cycle)

Add to the end of note 1:

"The maximum rated Peak Power shall be 100xPRF."

Justification:

Ratings are amended to reflect the actual capability of the range of components and to correct the PP value for those variants with rated RF Power = 1W
