Paragraph:

Appendix A, page 22 and page 23

Original wording:

Proposed wording:

- for Variant 12 / ESCC component number 5711###12B5C6KE:
change Chelton component number 101M106A5R6M to 101M106A5R6K
- for variants 14, 15 and 16 / all ESCC component numbers:
change M107 to M104 in Chelton component numbers
- for variant 20 / ESCC component numbers 5711###20B150KG and 5711###20B150MG:
change respectively 120K and 120M to 150K and 150M in Chelton component numbers

Justification:

typo errors (not present in the version sent on Nov 4th, 2009 to Ron Fidler)

Attachments:

N/A

Modifications:

In addition the ESCC Component Number in column 2 of Appendix A should be corrected for all items to include the actual ESCC Detail Spec reference "5711002".

e.g.:

For Variant 01 = 571100201B2C2KG
