Issue: 4

Paragraph:

3

Original wording:

Variant 15 / 16 / 17 & 18 : "Mating end" and "Crimp barrel" colour = Red / red

Proposed wording:

Variant 15 & 16 : "Mating end" and "Crimp barrel" colour = Green / green  
Variant 17 & 18 : "Mating end" colour = Green and "Crimp barrel" colour = Brown

Justification:

These colors were those in the first revision. Between the first revision and the second there was no DCR justified the color change. This seems to be a tipping mistake between the two revisions.
