Original wording:

Ref ESCC 2054000 issue 3

Proposed wording:

Specification is totally rewritten to cover the range of currently ESCC specified resistor families i.e. SMD/Chip film resistors.

The contents of this rewritten spec are based around ESCC 2053000 Para 3.4 for moulded SMD resistors and MIL-PRF-55342J1 Appendix B for SMD/Chip film resistors.

See attached spec revision for details

Justification:

To make 2054000 relevant to the currently supported ESCC Detail Specs for resistors
