Page:

8 to 15

Paragraph:

1.6.1 to 1.6.8

Original wording:

As per 3602/019 issue 8 (Dimension B = 10.4mm max)

Proposed wording:

For all Variants: Dimension B changed to be 10.7mm max (was 10.4mm max)
(see attached spec mark-up; yellow highlights indicate the changes)

Justification:

This DCR is raised on behalf of Manufacturer Leach.

Increase of Dim. B is due to current limit resulting in scapped components due to the lack of margin within the internal structure.
