Paragraph:

See attachment.

Original wording:

See attachment (ESCC Detail Specification 22800 Draft 2A).

Proposed wording:

See attachment (ESCC Detail Specification 22800 Draft 2A). A summary of these changes is shown below.

Removal of the NCCS Form (Appendices II, III and IV)

Various editorial changes as a consequence of the removal of the NCCS Form, i.e.:

Update references to DCR and the location of the DCR Form, and replace references to Appendices II, III and IV with the relevant locations on the [escies.org](http://escies.org) and [spacecomponents.org](http://spacecomponents.org) websites.

Update communication / media exchange technology references as appropriate (e.g. "e-mail" replaces "telex").

Justification:

All changes proposed reflect the change in Policy regarding the location of ESCC Forms within the ESCC Specification System.

Note: this specification is to be updated in accordance with the Approved DCR No. 799 (software change from FrameMaker to MSWord 2010); it is proposed that the changes contained in both DCRs are implemented concurrently.
